Phone-9415322233.                                                                                                                                                                                                                                                                                        |

3. The bidders will have to deposit Rs. 15,000.00 (Rs. Fifteen Thousand Only) as Earnest Money Deposit in favour of **“India Literacy Board”** in the form of FDR / Bank Draft / Irrevocable Bank Guarantee along with the Technical Bid. This is mandatory; otherwise the Bid will be treated as “Non-Responsive” and will be rejected.
4. The Bids will be opened in the presence of bidder’s representatives, who choose to attend at the venue at date and time mentioned in the above table. An authority letter of bidder’s representative will be required to be produced.
5. The India Literacy Board, Literacy House, Kanpur Road, Lucknow reserves the right to cancel any or all the bids without assigning any reason thereof. The decision of India Literacy Board, Literacy House will be final and binding.
6. In the event of date specified for Bids opening being declared a holiday for India Literacy Board, Literacy House, then the due date for opening of Bids shall be the following working day at the appointed time and place.

7. The bidder is expected to examine all instructions, forms, terms and specifications in the Bid document. Failure to furnish all information required as per the Bid document or submission of “non-responsive Bid” shall be the bidder’s risk and may result in rejection of the Bid in question.
8. The Bid prepared by the bidder, as well as all correspondence and documents relating to the Bid exchanged by the bidder and the Client (ILB) shall be written either in English or in Hindi language.
9. **Eligibility & Pre-Qualification Criteria for Technical Bid**  
Bidders must submit supporting documents for the following criteria in their Technical Bid:-
  - EMD of Rs. 15,000.00 (Rs. Fifteen Thousand Only) in favour of “**India Literacy Board**” in the form of FDR / Bank Draft / Irrevocable Bank Guarantee.
  - **Authorization:** The bidder must be an Original Equipment Manufacturer (OEM) or a valid authorized dealer/distributor of the OEM.
  - **Experience:** Must have successfully completed at least three similar works of supplying DG sets of 62.5 kVA or higher capacity to government/semi-government / reputable private organizations in the last 3 years. Experience Certificates are mandatory to be attached.
  - **Statutory Registrations:** Must possess valid PAN/TAN, GST registration, and ISO certifications of OEM.
  - **Compliance:** The DG set model must comply with the latest Central Pollution Control Board (CPCB) norms for noise and emission limits.

#### **Bid Form –**

The bidder shall purchase the Bid Form from the office of Director, India Literacy Board, Literacy House, Kanpur Road, Lucknow and will complete the Bid Form as prescribed therein. Bids shall not be accepted on Photocopies of the Original Bid Form.

#### **Bid Price -**

The bidder shall quote the Price in a separate sheet as per the **Annexure-I** of the Bid document in accordance with the given BoQ/product specification. Prices quoted must be inclusive of packing, forwarding, freight, insurance, installation, testing, and commissioning charges. The Prices shall be quoted in Indian Rupees **including GST / applicable taxes**.

#### **Bid Submission -**

This is a Two-Stage (Technical Bid & Financial Bid) Bid Process. Bids will be submitted in a big sealed envelope which will contain two separate sealed envelopes inside; one envelope will contain Technical Bid and the other envelope will contain Financial Bid. The bidder will have to mention clearly the name of work, bidder’s name & address and Technical Bid or Financial Bid on the envelopes as the case may be. Non adherence to this condition by any bidder will be deemed to be disqualified.

#### **Period of Validity of Bid -**

1. Bid shall remain valid up to 90 days after the date of Bid opening prescribed by the Client (ILB). Bid valid for a shorter period shall be rejected by the ILB as non-responsive bid.

2. In exceptional circumstances, the Client (ILB) may solicit the bidder's consent to an extension of the period of Bid validity. The request and the response thereto shall be made in writing. A bidder may refuse the request without forfeiting its Bid security. A bidder granting the request will not be required nor permitted to modify its Bid.

### **Scope of work –**

The successful bidder will be responsible for:

- **Supply:** Delivery of the 62.5KVA, 75KVA and 82.5KVA silent DG sets to the site in factory-new condition.
- **Civil Works:** Creation of a suitable concrete foundation (PCC pad) as per OEM recommendations.
- **Installation:** Positioning, aligning, and mounting the DG sets on anti-vibration pads.
- **Cabling & Earthing:** Supply and laying of suitable copper/aluminium power cables from the DG set to the changeover panel, along with required neutral and body copper-plate earthing.
- **Exhaust System:** Extension of the residential silencer and exhaust piping insulated with glass wool/cladding to the required statutory height.
- **Testing & Commissioning:** Trial run on full load conditions for a minimum of 2 hours, testing all safety interlocks.
- **Approvals:** Obtaining necessary statutory approvals or electrical inspectorate clearances, if locally required.
- **Integration of the Genset with the Solar Power System :** So that when there is a power cut, the Genset gets start automatically and it connects with the Solar Power System to enhance its output with the power generated by the Solar Power System.

## Section II

### TERMS & CONDITIONS OF TENDER

1. The Bidder will have to carry out the competitive bidding for Supply, Installation, Testing, and Commissioning (SITC) of 62.5KVA, 75KVA and 82.5KVA Silent Diesel Generator Sets at Literacy House, Kanpur Road, Lucknow.
2. **This is a Two-Stage (Technical Bid & Financial Bid) Bid Process.** Bids will be submitted in a big sealed envelope which will contain two separate sealed envelopes inside; one envelope will contain Technical Bid and the other envelope will contain Financial Bid. **The bidder will have to mention clearly the name of work, bidder's name & address and Technical Bid or Financial Bid on the envelopes as the case may be.** Non adherence to this condition by any bidder will be deemed to be disqualified.
3. It is mandatory to deposit EMD of Rs. 15,000.00 (Rs. Fifteen Thousand Only) as Earnest Money Deposit in favour of **"India Literacy Board"** in the form of FDR / Bank Draft / Irrevocable Bank Guarantee along with the Technical Bid.
4. The bidder should furnish experience certificates of having done at least 03 similar works.
5. The bidder firm will have to attach Certificate of Goods & Service Tax (GST) registration along with tender document.
6. The bidder will have to attach the PAN/TAN CARD.
7. Tender Document will not be accepted on photocopies / Xerox.
8. If the bidder is found giving a bribe or any wrong information with the tender, his security deposit will be seized and the tender will be rejected.
9. After complete satisfaction of the India Literacy Board & keeping in view the interest of the institution, the decision will be taken accordingly. India Literacy Board shall have the full rights to reject any bid submitted by the bidder or cancel the tender, without any reason, in the administrative interest, or to change the conditions or terminate any condition. Any tenderer/ bidder will not have any right to debate on doing so.
10. The selected bidder will have to complete Supply, Installation, Testing, and Commissioning (SITC) of 62.5KVA, 75KVA and 82.5KVA Silent Diesel Generator Sets at Literacy House, Kanpur Road, Lucknow.
11. The work of delivery and installation will have to be completed within 45 days of work order.
12. Any dispute between the Bidder Firm and the India Literacy Board, will be subjected to the Lucknow jurisdiction for its disposal.
13. Prices quoted must be inclusive of packing, forwarding, freight, insurance, installation, testing, and commissioning charges including GST / applicable taxes.
14. **Payment Terms:**
  - 25% as advance payment along with the work order.
  - 50% payment upon delivery of the equipment at the site in good condition.
  - 20% payment upon successful installation, testing, and commissioning.
  - 5% payment retained as Performance Guarantee or may be released against a PBG of the same amount valid for the warranty period (24 months).
15. **Warranty:** Minimum 24 months from the date of commissioning or 5000 running hours (whichever is earlier) for both engine and alternator.
16. **Liquidated Damages:** If the supplier fails to deliver or install the equipment within the specified period, a penalty of 0.5% per week of delay up to a maximum of 10% of the contract value will be levied.
17. The Bidder is agreed to adhere to the Terms & Conditions as mentioned above.
